Subject: Thank you

Dear colleagues

I wanted to take this opportunity to thank all staff and partners for your professionalism and efforts in dealing with the recent tragic helicopter accident in Vauxhall. I'm sure we are all thankful that more people were not hurt in the incident and that our sympathies go out to those that lost their lives and those that have been injured and are now recovering.

I know many colleagues from the emergency services; St Georges; National Grid; Brookfield Multiplex; Rendall & Rittner; Transport for London and the two boroughs of Lambeth and Wandsworth have worked closely together to make sure we can get things back to normal as soon as possible. I am also grateful to local churches, supermarkets and other organisations who stepped in to help.

I know that there is still a lot of work to be done and that the investigation is ongoing but, I just wanted to take the opportunity to pass on my sincere thanks for the way the situation was dealt with and that normal services resumed so quickly.

With best wishes
