Subject: Thank you and donation

Hello,

Whilst away over Christmas here in England, a large branch from one of our trees blew down in a gale over the road.

We arrived back to find one of your RRTs dealing with this, and were then amazed to find that this was volunteer work.

We think this is amazing and embodies the true meaning of Christianity. Thank you.

We would like to make a donation but cannot find a UK website to deal with this. Can you help please?
