To Whom It May Concern;

The members of the Plymouth Brethren Christian Church located at 770 West Hill Rd in Stamford, CT, USA would like to contribute $2,000.00 to the Sandy Hook School Support Fund in Newtown, CT. A donation has been made online at newtown.uwwesternct.org as a token of our sympathy and support.

We feel the sorrow of the recent tragedy deeply. With Stamford being only 40 miles away, we would like to offer our help as neighbors, in any way that would be useful.

We would be grateful to have an opportunity at some later time to express our condolences to the families that have been directly affected by this tragedy.
