Subject: Thank you!

Hello Jody,

I wanted to email and express my thanks on behalf of Hampshire Fire and Rescue Service for your efforts over the last two busy weeks.

The feedback I have received from the fire fighters has been extremely positive and grateful for the service that you and your colleagues from The Brethren have provided. As you will have seen, the incidents have been demanding physically, protracted, and the climate has been somewhat frosty! To have a happy smiling face offering hot drinks, snacks and refreshments has made a huge difference to morale and the ability of our fire fighters to complete their work efficiently and safely.

I would be more than happy to welcome you and some colleagues to Andover Fire Station, both as a thank-you, and to give yourselves an opportunity to find out a little more about The Service as a whole.

If you could let me have a few dates for mid to late May then I will sort something out.

Thanks again Jody,

Speak soon,

Mark.
