

Hi Gavin,

I've had some feedback from the crews at Borwick (please see below). Can I extend my sincere thanks for your support at the incident, it was particularly timely and effective. I hope to work closely with you in the future, so please keep in touch.

Kind regards,

Tim Murrell

Response & Emergency Planning

Lancashire Fire & Rescue Service

Received from Crew Manager Dave Gillon:

"I just want to let you know the welfare of the FF at the incident was well catered for by the guy's from the church organisation you organised. Everyone at the incident including the electricity board really appreciated their efforts. The Crisp, Cookies, Doughnuts and mars bars were used to our best ability. When the hot Tea and Coffee arrived it made our night. Once again can you make sure our thanks are passed onto them."
