

THE GREAT BRITISH **BAG-ATHON** 2013

30 October 2013

The Plymouth Brethren Christian Church

Thank you for making this year's Great British Bag-athon such a huge success, donating an amazing **12,998** bags! It's because of generous supporters like you that we've received bags and bags full of great things donated to our shops across the UK, who are always in need of donated items to sell.

You're life-savers

Coronary heart disease is still the UK's single biggest killer. But every bag you filled could raise £20 to help people living with heart and circulatory conditions. From babies born with life-threatening heart problems to the many mums, dads and grandparents who survive a heart attack and endure daily battles with heart failure.

We've enclosed a copy of the certificate formally presented to representatives of the church at BHF's head office on 29 October 2013, to say thank you for all the effort made and as a reminder of the amazing difference you've made.

Thank you again for joining us in the fight for every heartbeat. We hope you'll join us again in 2014.

Kind regards

Mike Taylor
Retail Director
