Dear Sirs,

Clutha Bar Helicopter Tragedy

Our daughter is a Police Sergeant in Glasgow. She was heavily involved in the above tragedy.

She has written in very moving terms about the marvellous assistance your organisation gave to all the Emergency Service workers. I believe that you even rejected offers of payment for the sustenance you provided.

Our daughter decided to make a donation to your cause via Just Giving and invited her friends to consider that also.

I prefer to donate directly so I enclose a cheque for £100 and a Gift Aid Declaration that should allow you to reclaim tax.

Thank you for your good work.

Yours sincerely,

Dr A D Shaw and on behalf of Dr J M A Shaw
